

# Our Lady of Lourdes

Weekly School News

From the desk of  
Principal Chris Uptmor

## Faith, fun and friendships for all

The OLOL Dinner-Auction is April 1, and each year this fun event helps raise money to keep tuition affordable for our families.

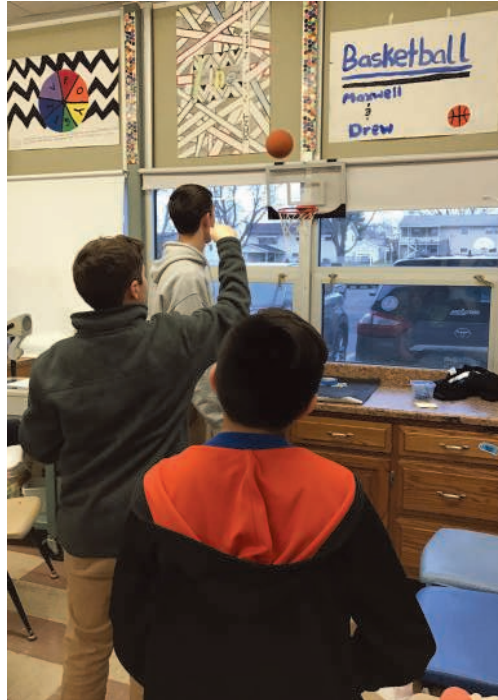

We also have a “fund-an-item” each year, and we hope to upgrade our security system this year with that.

Tickets are still on sale and are available in the church bulletin, school or church office or online at the school’s website: [www.ololschool.com](http://www.ololschool.com).

There are just a few seats remaining. We hope to see you there!

### DATES TO REMEMBER

- March 24, Fish Fry, 4:30 p.m., school gym
- March 23 and 24, kindergarten screenings, call school at 877-4408 for an appointment
- March 23, spring pictures, gym

**FUN FAIR:** The OLOL eighth-grade class of 2017 organized and oversaw a Fun Fair to raise money for their class gift to the school during the March 12 Fish Fry. The younger kids played the games for donated prizes. The Fun Fair was an inspired addition to the weekly Fish Fry. Eighth-grade parents also sold desserts during the Fish Fry to benefit the class.

**REGIONAL CHAMPIONS:** The seventh-grade girls volleyball team won its IESA Class 1A Regional as the No. 4 seed. The Lancers beat Holy Family in the semi-finals and Springfield Aloysius for the title at Springfield Little Flower on Feb. 28. At sectionals on March 6, the Lancers were defeated in three tough games by Jacksonville Our Saviour.

**ROSARIES:** The Fourth-Degree Knights of Columbus Council No. 577 visited the second-graders of Mrs. Kim Taylor’s class to give Rosaries to the children as they prepare to receive their First Eucharist. Please pray for our First Communicants. Thank you Knights of Columbus!
